

Relationship number: RLT 230976

Period of Exchange: From 17th April – to 16th October (6 months)

Brief introduction (max. 1000 characters):

Claudio is a young dentist who experienced the studies abroad, and during his university time, he discovered how much he likes organizing community events, taking people together, from different countries, in one international crowd, full of cultures, traditions and friendships. The ray of themes is wide, from music to sport, passing for entertainment, culture, food and exc. Matus is a young but experienced entrepreneur who participated in the program and as he lived a great time during it, once started his own business, decided to give his knowledge to new people, who are inspired to create something as well.

Activities undertaken (max. 1000 characters):

A calendar of possible events was created before the start, but both quickly understood how many ideas and new projects they could make, just putting their minds together. Planning events in all their details, holding meetings with teammates, dealing with work partners, finding possible sponsors, trying to increase the audience and improve the promotions to reach more and new people. Spreading cultural events such as language's exchanges, and making people interacting with different traditions and uses. Organizing food's caterings for private and public events, taking care about quality of dishes and also services given.

Benefits achieved (max. 1000 characters):

During the program, Claudio and Matus created a connection not only for work, which helped to grow a great friendship. They shared knowledges, experiences and made each other improving in their sectors and also in languages. An important point is the high possibility and also availability to cooperate on future in an international business that can involve both companies.
