

Relationship number: RLT 258457

Period of Exchange: From February to July 2026

Brief introduction (max. 1000 characters):

The New Entrepreneur identified the Erasmus for Young Entrepreneurs programme as an opportunity to gain international business experience and strengthen entrepreneurial skills in a multicultural environment. With a background in language education and customer relations, the New Entrepreneur aimed to understand how a successful language school is managed from both educational and organisational perspectives. The Host Entrepreneur at My English School Sevilla offered the ideal setting through an innovative business model, extensive industry expertise, and an international working environment. Throughout the exchange, the New Entrepreneur expected to develop practical business and management skills, improve adaptability, gain insight into effective operational practices, and build a strong international professional network while experiencing a different business culture under the guidance of the Host Entrepreneur.

Activities undertaken (max. 1000 characters):

During the mobility, the New Entrepreneur actively participated in the daily operations of My English School Sevilla, supporting student services, administrative processes, marketing initiatives, and the organisation of events designed to promote the school and engage the local community. The Host Entrepreneur involved the New Entrepreneur in various aspects of the business, fostering initiative and progressively assigning greater responsibilities. The collaboration was built on mutual trust, continuous feedback, and the exchange of knowledge and best practices. This hands-on experience enabled the New Entrepreneur to gain practical insight into the effective management of an educational business while strengthening entrepreneurial, organisational, and interpersonal skills under the guidance of the Host Entrepreneur.

Benefits achieved (max. 1000 characters):

The mobility significantly strengthened the New Entrepreneur's organisational, communication, and intercultural competences while providing valuable
